Presenting Riviera, a collection of bath fittings inspired by the flow of rivers, in all their glorious form and abundant functions. Every Riviera bath fitting comes with dynamic flowing forms and rounded edges, making them a sight to behold and also ergonomically sound. Add to these, the immaculate finish on the surface guarantees water-proof qualities and magically smooth operation. The collection is classified in 6 stylishly functional ranges, each name inspired by some of the greatest rivers coursing through different parts of the world. Dive in to the world of Riviera and experience the best of tasteful aesthetics and intuitive performance all day, every day.

"Panta rei - everything flows."

A woman with her hair in a bun is shown in profile, sitting in a white bathtub. Her eyes are closed, and she has a serene expression. In the background, a modern, chrome showerhead is visible, along with some green plants. The overall atmosphere is calm and relaxing.

Quiet and calming,
like an evening by the river
